One Piece Door Window Kits

48-52 One Piece Door Window Kit..... GH-4852F-ISW..... \$459

Ford F1 One Piece Door Window Kits (For Both Doors) - Includes channels, glass runs, tempered glass, hardware and detailed installation instructions. Can be used with a power window kit or the manual stock lift. This item is oversized. Additional shipping may be required. Please specify glass color: clear or smoked (gray) when ordering. Tint (green) is no longer available.

Note: we do not include stock felt guide on lock side of door nor regulator; use the existing ones in your door.

53-55 One Piece Door Window Kit..... GH-5355F-ISW..... \$569

F100 One Piece Door Window Kits (For Both Doors) - channels, glass runs, curved glass and detailed instructions on how to install. Can be used with a power window kit (not included) or the manual stock window regulator. We leave the lift channel off for power window versions so you can position it correctly for your power window kit. We do recommend you use a heavy duty power window kit. Contact us if you need a power window kit. Please specify glass color: clear, tinted green or smoked (gray) when ordering.

Note: May take up to 3 weeks to build and ship. These kits are custom built as they are ordered.

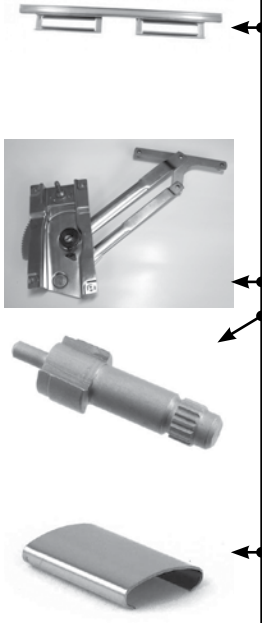

56 One Piece Door Window Kit..... GH-56F-ISW..... \$479

Ford F100 One Piece Door Window Kits - Includes channels, glass runs, glass and detailed installation instructions. Can be used with a power window kit or the manual stock lift. No power window unit is included. Please contact us if you need a power window kit. We recommend a heavy duty power window kit with a strong motor. Please specify glass color: clear, tinted (green) or smoked (gray) when ordering.

Note: May take up to 3 weeks to build and ship. These kits are custom built as they are ordered.

CPP-4852BB

48-52 Brake Master Cylinder & Booster Kit - Under Floor

CPP-5356FBB24-9

53-56 Firewall Mount Power Brake Booster - Combo Proportioning Valve

CPP-5356BB

53-56 Brake Master Cylinder & Booster Kit - Under Floor

DUAL MASTER CYLINDER

Power Booster & Master Cylinder Kits

All new components. 7" dual diaphragm brake booster - Drum/Drum, Disc/Disc or Disc/Drum Application master cylinder. Proper proportioning valve already installed (not used on drum/drum applications). All bracketry included to bolt in. Retains the stock brake pedal.

48-52 Brake Master Cylinder & Booster Kit - Under Floor CPP-4852BB..... \$389
 Above only works with auto transmissions - No clutch kit available.

53-56 Brake Master Cylinder & Booster Kit - Under Floor CPP-5356BB..... \$389

YES you can keep the clutch pedal if you are running a stick shift, but you need to add the clutch conversion kit:

Clutch Conversion Kit

53-56 Clutch Conversion Kit For Under Floor Brake Booster Kits CPP-5356CK1 \$69

Allows use of clutch pedal with CPP under floor brake boosters.

Dual Master Cylinder & Bracket (Manual)

53-56 Manual Dual Master Cylinder & Bracket Kit - Disc/Drum CPP-4756MMK-2..... \$249

53-56 Manual Dual Master Cylinder & Bracket Kit - Disc/Disc CPP-4756MMK-4..... \$249

Upgrade your 1953-56 Ford truck from a single to a Corvette-style dual reservoir master cylinder. Bracket and hardware included. Available for disc/drum and disc/disc applications.

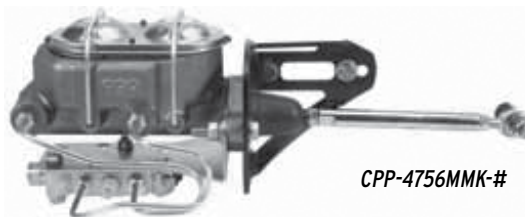

Note: Manual transmission requires additional parts CPP-5356CK1 \$69

Allows use of clutch pedal with CPP under floor brake boosters.

Remote Reservoir Kit For CPP Dual Reservoir - Plastic CPP-RRCK \$129

Remote Reservoir Kit For CPP Dual Reservoir - Billet Aluminum CPP-BRCK \$279

- Mount the remote reservoir on the firewall (or anywhere you can) for easier access to fill your under floor master cylinder.

CPP Firewall Brake Booster Kits

Our firewall mount power brake booster kits are made to be compact and allow for clearance of any valve cover combination. Once installed the firewall, dash and steering column become triangulated making the entire assembly extremely rigid. Kit includes firewall mount bracket with pedal assembly, power brake booster, master cylinder, proportioning valve, and all mounting hardware. Bracket also available separately. Please specify drum/drum, disc/drum or disc/disc. Some modification to the dash may be necessary.

53-56 Firewall Mount Power Brake Booster - Drum/Drum Only CPP-5356FBB2-9..... \$389

53-56 Firewall Mount Power Brake Booster - Combo Proportioning Valve CPP-5356FBB24-9..... \$389

- This kits has a combination proportioning valve to run on disc/disc or disc/drum brake setups. You can take the proportioning valve off to run a drum/drum brake setup.

- This has a 9" booster.

FRONT DISC BRAKES

Complete Front Power Disc Brake Kits With Booster

Our complete disc brake kits not only upgrade your truck to power disc brakes, but they also allow you to keep either the stock 5 on 5-1/2" bolt pattern or change over to the popular 5 on 4-1/2" or 5 on 4-3/4" bolt patterns without having to use the stock hubs. This is our most popular upgrade for F-1's. Kits include rotors, loaded calipers, mounting brackets, bearings, seals, hoses, 8" power booster, master cylinder, proportioning valve and all necessary hardware. Specify disc/disc or disc/drum when ordering. Will not work with factory clutch pedal. (Automatic transmission only.)

CPP Front Disk Brake Bracket Kits

Convert your straight axle truck to disc brakes with one of our bolt-on disc brake bracket kits. Our kits are designed to bolt on to our stock spindles using existing mountings holes. Blanchard ground to exact specs. Allows for perfect caliper fit. Kits are available to accept 5 on 4 1/2", 5 on 4 3/4" and 5 on 5 1/2" bolt pattern rotors. Calipers, pads, rotors, etc. can be purchased from your local auto supplier. A list of parts is included to complete the brake set-up.

Power Steering

No More Ironman Turns!

Power Steering Kit

These kits consists of parts to convert your Ford pickup truck straight axle pickup to power steering. The kit comes with a NEW power steering box, mounting brackets, hoses, hardware and a pitman arm to fit your stock drag link. Also includes power steering hoses. These power steering kits are a great way to add power steering to a straight axle Ford pickup. Works with almost all power steering pumps. PS pump is not included. Power steering rubber hoses and several fittings to fit common pumps are included.

48-52 Power Steering Conversion Kit..... CPP-4852PSK-OC \$599

Will not work with 3 speed on the column shift linkage.

53-56 Power Steering Conversion Kit - For Stock Steering Column..... CPP5356PSK-OC..... \$649

Will not work with 3 speed on the column shift linkage. Includes 3/4 smooth (pinned) rag joint.

53-56 Power Steering Conversion Kit - With 1" DD to 30 Spline Rag Joint..... CPP5356PSK-AC \$680

Use this kit for aftermarket steering columns (Ididit/Flaming River. Includes a rag joint to match steer box to column).

Accessories

48-56 Steering Column Saver Kit - F100 CPP-F100CS \$17

Above is a flange bearing and collar to add lower support once you cut your OEM steering box off of the steering column.

Mini Rag Joint - 1" DD to 3/4 x 30 spline For 400 Series Box..... CPP-CP59084 \$79

Power Steering Pump Kits & Brackets

Rear 4 Bar Suspension

48-72 Fatbar 4 Link Rear Suspension Kit	NOL-FTBR-1	\$2,195
---	------------------	---------

The No-Limit Fatbar 4-link suspension is designed for 1948-1972 Ford F1 and F100 pickups! It is a complete 4 - Link kit. Fatbar 4-Links use a 220lb spring and a 5" single adjustable shock for a smooth ride. No Limit designed the Fatbar with longer bars to allow a smoother weight transfer.

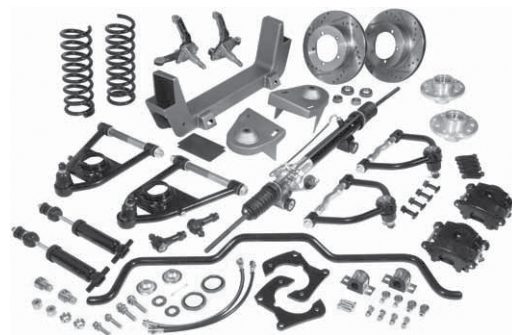

IFS

Ford Truck Mustang II IFS System By CPP

48-52 Complete Mustang II IFS System.....	CPP-E4852M2IFS-K.....	\$2,100
53-56 Complete Mustang II IFS System.....	CPP-E5356M2IFS-K.....	\$2,100

- Choose 5 x 4.5", 5 x 4.75", 5 x 5" or 5 x 5.5" Lug Pattern No Additional Cost
- Choose Manual or Power Rack..... No Additional Cost
- Choose Stock or 2" Dropped Spindles No Additional Cost

Enjoy the comfort and benefits of having an independent suspension system in your early truck without paying the big prices of other kits. These kits come with crossmember, frame boxing plates, coil springs, spindles, brakes, shocks, upper and lower control arms, rack & pinion, plus mounting hardware. Specify manual or power steering and stock or 2" dropped spindles. Rotor bolt lug options are: 5 x 4.5, 5 x 4.75, 5 x 5.5, 5 x 5.

A Great Deal!

Sway Bar Kits For Stock Suspension

48-56 Rear 1" Sway Bar Kit	CPP-CPP169.....	\$189
53-56 Front Sway Bar - 1 Inch.....	CPP-CPP12030.....	\$189

Sway bars are the key to having a great handling vehicle. They reduce body roll and help control over steer and under steer in corners. Kits come complete with sway bar, poly bushings, mounting brackets and all necessary hardware. Black powder coated finish.

Ford 3 Inch Rear End Conversion Kit

53-56 Rear End Conversion Kit For 3" Diameter Rear	CPP-5356RCK	\$109
--	-------------------	-------

Our kit allows you to update your existing axle to any 3" diameter rear, including GM 10- and 12-bolt, F-Body 7.5", Ford 9", or any other axle with 3" diameter axle tubes. Can also be used as a flip kit for 4" to 5" drop. Welding is required. This kit also contains provisions for modern shock absorber mounting.

53 - 56 FORD TRUCKS
Flawless 53 Ford

POSTED ON JANUARY 17, 2018 BY CMWTRUCKS

We first saw this 53 at the F100 SuperNationals in 2008. Fast forward to the Summer of 2017 and it's just as flawless as it was back then. While not everyone loves orange, this truck is awesome and begging to be looked at. Every inch of the body has been massaged and smoothed to perfection. [...]
